

The right connections are everything.

Volkswagen
car-netTM

Where car and human connect.

Das Auto.

Let's connect.

There's no doubt you'll bond with your new Volkswagen. With VW Car-Net, you'll be even more connected.* Get synced and supported and have a seamless link between your car and your iPhone®, Android™ phone (app coming soon),** or computer. So you can do things like get restaurant locations,† remotely unlock your car doors, and get alerts and other information from your car. And when you're on the go, you can connect and get assistance from VW Car-Net simply by pressing the "i-Button" in your vehicle's overhead console. It's safe to say you'll be pretty well connected.

- 1** Have enough fuel to get home? Remotely check the status of your fuel gauge and more.
- 2** If you've locked your keys in your car, the key to staying calm is with the remote unlock feature.
- 3** Not certain if you locked all your doors? Now you'll know for certain.

Calm, cool, and connected.

SAFE & SECURE

It's always important to keep your cool. And now it's even easier because VW Car-Net helps keep you connected. In the event of an accident, if your airbags^{††} are deployed, you'll automatically be put in contact with a VW customer service specialist who'll call for help. Even Roadside Assistance[‡] is just a simple push of a button away. So everyone can keep calm and drive on.

Receive automatic specialist assistance in an accident

Call for help in an emergency^{††} or if you need Roadside Assistance[‡]

Helps law enforcement try to recover your stolen vehicle using GPS

Help protect your valuables.

FAMILY GUARDIAN

As much as you love your VW, you may find yourself letting another loved one drive it. With Family Guardian, you can get updates if your car is driven outside the parameters you set, helping you keep track of your most important valuables.

Set speed parameters and receive alerts when they're exceeded[§]

Set boundary limits and receive alerts when they're crossed

All access.

REMOTE VEHICLE ACCESS

Even when you're not in your VW, it's never too far away. From a compatible iPhone or Android phone (app coming soon),** you can locate your car if you forgot where you parked. Or check if you've locked all your doors. Staying in touch is really here to stay.

Remotely unlock your vehicle's doors

Find your vehicle on a map in case you forgot where you parked**

Send destinations to your in-car navigation system†

View the status of your vehicle's doors, hood, trunk, and more

Sound the horn and flash the lights in an unsafe situation

Get assistance from a live agent specialist at the push of the "i-Button"

Maintaining good health.

DIAGNOSTICS & MAINTENANCE

A healthy VW is a happy VW, so we've made it easier to know how your vehicle is doing and made it even easier to visit a dealer for a checkup.

Schedule a dealer visit

Search for a dealer and send the address to your vehicle†

Get vehicle diagnostics in a monthly email^{§§}

*VW Car-Net services provided by Verizon Telematics, Inc. Available only on select models. Automatic Crash Notification may be enabled for up to six months without activating a trial or paid subscription; Manual Emergency Call feature and all other VW Car-Net features require trial or paid subscription. VW Car-Net services require vehicle cellular connectivity and availability of vehicle GPS signal. VW Car-Net includes services that may collect location information. See applicable Terms of Service available at vw.com/carnet for details. **Requires VW Car-Net Mobile Application. iPhone only. Android app not available at time of publication. Standard text and data rates apply. †Requires compatible factory-installed navigation system. ††Airbags are supplemental restraints only and will

not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. ‡Roadside Assistance for Volkswagen is provided by Allstate. §Automatic Crash Notification may be enabled for up to six months without activating a trial or paid subscription; Manual Emergency Call feature and all other VW Car-Net features require trial or paid subscription. §Always obey speed and traffic laws. §§Refer to your vehicle's warning and indicator lights for the most current diagnostic information. Always consult owner's manual for maintenance guidelines.

Get started.

With
6-Month
Trial

1

To start your 6-month trial* at no additional charge, just press the “i-Button” located on your vehicle’s overhead console. Or call (877) 820-2290. Either way, you’ll be put in contact with a friendly VW Car-Net Customer Specialist.

2

Once activated, go to vw.com/carnet or download the iPhone or Android app (Android app coming soon)** to connect with your smartphone. Or you can also connect to VW Car-Net through your computer. Once you do, you’ll be able to get restaurant locations,† set up an appointment for a dealer visit, and enjoy all the other benefits VW Car-Net offers. That’s it — you’re good to go.

Important information:

Automatic Crash Notification (“ACN”) may be enabled for up to six months without activating a trial or paid subscription; Manual Emergency Call feature and all other VW Car-Net features require trial or paid subscription.

When you press a VW Car-Net button, when an ACN event occurs, or in connection with VW Car-Net features, vehicle location information is transmitted to VW and our VW Car-Net service provider, Verizon Telematics (“VZT”).

Unless VW Car-Net equipment is disabled in the vehicle, it may be possible for VW and VZT to determine the car’s location if required to do so by law, court order, subpoena, or other legal requirement.

Full function of VW Car-Net services requires vehicle cellular connectivity and availability of vehicle GPS signal.

See VW Car-Net Terms of Service and Privacy Policy at vw.com/carnet for more details.

Great prices on VW Car-Net plans available after trial. Call (877) 820-2290 to activate your trial, or go to vw.com/carnet for more information.
